

West Chester GROWERS MARKET *Est. 1995*

Dear friends of the West Chester Growers Market,

As we approach our 19th year of serving the local community, the West Chester Grower's Market faces the possibility of losing our home in the parking lot at Church & Chestnut Streets.

We need your help.

The parking lot is being considered for development by the borough council

While we may not bring large revenue, tall buildings or more parking spaces to the borough of West Chester, we do believe we bring something of great importance: **COMMUNITY**.

We are asking you to contact your borough representative and ask them to consider these factors as they make their decision:

- * Our market hosts 2000+ people every Summer Saturday
- * We provide a sense of community, where neighbors talk to neighbors
- * Our market acts as a drawing card to downtown businesses. Customers frequently shop there after leaving the market.
- * If the lot is developed, there is a chance that our Growers Market will no longer be able to serve the community.

So please, if you value the sense of community and supporting the local farm fresh foods that our market has brought to West Chester, contact your borough representative and tell them what the market means to you.

Remember, they represent you.

Thank you,

The West Chester Growers Market
