Ok. I hope I can get a majority. It seemed as if they forgot that detail.

Subject: RE: Severance for Mimi

Hi Theresa,
Letting you know I spoke with Pam about this request for payment as typically we'd have something in writing (an agreement or contract) or an email from a majority of the BoS to initiate this type of payment. (Just like I needed an email from multiple BoS members last year at this time when the BoS voted to pay Mimi a bonus). Pam reached out and spoke with Raj who let her know that a motion for a severance payment is planned to be added to the BoS's agenda for Monday. Once that approval happens, we can process the payment. And, as long as the Board's motion doesn't preclude us from doing so, we can run a special payroll so Mimi receives the funds within 48-72 hours.
-Beth
