Hi Jen,

My name is Jackie Kondrk and I'm the Superfund Redevelopment Coordinator for EPA Region 3. I understand you would like to request comfort letters for the Foote Mineral Site. Please fill out the attached questionnaire for each comfort letter. Once I receive your responses, I can start working on these.

Thanks,

Jackie

Hi Paul,

I hope all is well with you and maybe I will see you soon (I am in Philly 3 times this week, twice at EPA).

Please see the attached letters requesting status/comfort for what will be two divisions of the parcels that make up the Foote Mineral Superfund site. Please do not hesitate to reach out if you need additional information.

Regards,

Jen Fields
